

Dear Local Fire Department,

7-31-09

Please find our Fall & Winter class schedule. We have continued success with the Medina County Career Center in offering all Certified Fire and EMS Training classes and the Medina County University Center. Ohio Law requires 18 hours of fire training every year, make sure that you are doing in service training. Certified classes have increased hrs. to include Drivers Training as part of the initial curriculum, you can also include this as part of your in-service program. Your Fire Chief approves all in-service training for your department to meet the new standard.

We continue to deliver several new classes:

- Fire Officer Level I
- Fire Officer Level II
- Building Construction
- Fire Inspector Class, *day class at Richfield Fire, start date 9-21.*
- *Certified Inspectors are encouraged to attend any session of the above class for C-E credit. Contact our office for an inspector class schedule, no cost, and certificates will be issued.*
- Incident Safety Officer, *fall 09 dates, tba*
- Health & Safety Officer, *winter 2010 dates, tba*

Fire Continuing Education Program, we will deliver 18 hours of training to meet the needs of your Fire Department at your facility. Help you do a training assessment and design a detailed training package that we can deliver along with your Instructor Staff.

Contact our office for details and pricing

Please note our scheduling, we offer many of our classes at the new University Center in Medina, on Rt. 62. We have had success in offering Firefighter Level I, Officer I and II, and an Inspector course at this state of the art facility.

We have included our class application and special class offerings enclosed. Please feel free to contact us with any special training request or questions about our programs.

Thanks for your continued support,
